When precision engineering meets decorative beauty, beautiful and exciting fire creations are made.

SoloFlame produces a range of artistic fire-pits, fire-bowls, fire-balls, giant fire-dishes and other exciting products manufactured from proudly South African steel. A range of other steel products are also provided by SoloFlame, specially created by other producers.

Our products are the best in creative outdoor décor suitable for lodges, farms, homes and townhouses, to complement any verandah, lapa, boma, bar area, communal place of gathering or garden, with this creation. **SoloFlame's product range includes:**

- Fire-pits
- Fire-bowls
- Fire-balls
- Giant Fire-dishes
- Fire-globes
- Fire-boxes with laser designs
- Other requests can be made to order
